

Entity

```
classDiagram
    class Entity
    class CosmicDefenderShip["CosmicDefender.Ship"]
    CosmicDefenderShip --|> Entity
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled "Entity". Below it is a gray rectangular box labeled "CosmicDefender.Ship". A vertical blue line connects the bottom of the "CosmicDefender.Ship" box to the bottom of the "Entity" box, ending in a blue arrowhead pointing upwards towards "Entity".

CosmicDefender.Ship
